Exemplar Strategic Plan

Goals	Objectives	Strategies	Due Date	Outcomes	Accomplished	Not Accomplished	Reward	Reflections
Exemplar goal: To become financially independent in 15 year with an X dollar amount saved	List moneymaking ventures to accomplish your goals Exemplar objectives: Work diligently as a professor to get every merit raise by meeting annual productivity milestones Invest in passive income-type businesses such as rental properties, land banking, writing books Make maximum contributions to employer-matched pre-taxed retirement account Open a ROTH post-taxed individual retirement account Invest in the stock market Start your own business	List specific steps you would take each day, week, or month to move you closer to meeting each objective Exemplar steps: Write for four hours each day Research a stock, Call your realtor Set a new budget	Set realistic due dates by which you had to implement your strategies	List finished products that you would count as outcomes Exemplar outcomes: Have at least 3 published manuscripts each year Bought at least one stock every month	Did you accomplish this task?	Did you not accomplish this task? Why not?	Reward yourself for meeting each deadline Exemplar regards: Buy your favorite potato wedges from a local grocery store Watch a favorite movie on YouTube Get a massage	Reflect on accomplishments or not while being attentive to the things you could do the same or differently Reflect on your feelings about your vision to ascertain that your vision was still authentic
